

## **Directions to Alouette from I-5 at Gate 6 Squalicum harbor**

From either north or south – take exit 253, Lakeway Drive.

from north – turn right onto Lakeway from the bottom of the ramp

from south – turn right onto King St. from the bottom of the ramp go 1 block, turn right onto Lakeway. You are now headed west on Lakeway Drive.

From the stop light at the I-5 southbound off ramp, go  $\frac{1}{4}$  mile. At the light there, Lakeway angles right about 45 degrees and becomes Holly St. Continue on Holly, and get into the far left lane. That lane becomes “left turn only” at Bay St. in  $\frac{1}{2}$  –  $\frac{3}{4}$  mile. Turn left on Bay.

Go 1 block and turn right on Chestnut. (In a few blocks Chestnut becomes Roeder)  
Go 1.2 miles and turn left onto Coho Way. (between Boondocks and LFS Marine Supply)

Go 2 short blocks (2<sup>nd</sup> stop sign) to the end of Coho Way (Look for the Orca whale on a trailer) and turn left on S. Harbor Loop Drive (both the stop sign and the street sign are mostly hidden behind a tree). You will be going south east now.

Go .2 mi. past the commercial fishing area to another stop sign (also cleverly hidden behind a tree). Gate 6 is about 200 feet directly in front of that stop sign. Park anywhere in the parking lot on your right. Gate 6 is on the other side of the building that is just south east of the parking lot. Walk down the ramp at Gate 6, turn left, go all the way to the end (K dock), turn right, **walk about 30 feet and turn left.** Go all the way to the end (well, almost), and turn right again (J Dock). Go all the way to the end to Alouette in slip J-22.

Call me on my cell phone 360-303-3366 when you are about an hour away and I will meet you at the boat and give you the gate code to gate 6.
